July, 2014

To all shooters from TOP:

The current heat wave should be passing us by the time we shoot on Sunday, July 27th at 0930.

The gate should be locked open by 0800. Sign in for the first six who want to help set up and shoot this match for free will start at 0815. Sign in will reopen at 0845 for all others.

The stage count will be six with the ammo count at 60,60, and 28 plus.

It is with sadness that I must report the notice of another trail marker. His name is Mike Willard. He was a member of the Butterfield Gulch Gang. You may visit with the family on Tuesday, 22 July, at the Campanella-Evans Mortuary in Wamego, Kansas, between 6 and 8pm. Service with military honors will be at 1030 on Wednesday.

Don't forget the following matches coming up in September. Sass Kansas Wild Bunch at Powder Creek and T-Town 2014.

Speaking of T-Town, the sign up and event schedule are on the web site.

Hope to see everyone there and bring something cold along!!!
