March, 2016

Howdy all.

Recently I had some inquiries about this month's match due to it falling on Easter Sunday. After some deliberation with some members and the club officers we have decided to "Cancel" the March 2016 match so our members can attend services if this is their plan and be with family. Canceling a match is never an easy decision but considering the day, the decision is proper.

Thanks all,

J.W.
