March, 2014

The Capital City Cowboys will have their monthly match on Sunday, March 23rd at the Capital City Gun Club west of Topeka. This will be in conjunction with Powder Creek at their range on March 22. This I-70 shootout will be scored as three matches. If you attend both days, it will be scored as one match. The Saturday and Sunday will each be each scored as a separate match. The long range forecast shows promise of being able to have the match.

For Capital City Cowboys, we should have the Topeka Gun Club gate unlocked and open by 0800. We will start with the sign in about 0830 or before with a coffee social. To save time, please email toprdavis@cox.net by March 19th that you will be shooting with us by sending in your cowboy name, SASS number and shooting category. This will aid in getting the tablets pre-loaded for scoring and to get a head count for lunch.

This month's match fee is \$15.00 as lunch will also be provided after the range is cleared. Lunch is planned to be pasta, mixed veggies and salad.

The safety briefing will start at 0930 and shooting right after the tablets are loaded with the cowboy names. So please email your match information.

Hope to see you all at Powder Creek on Saturday and Capital City on Sunday the weekend of Match 22nd and 23rd.

There may be a way to score this match as a club contest. If you are shooting both days be sure to list the club you would represent. The scoring logistics' may take some head scratching, but it is our first I-70 Shootout.
