

Capital City Cowboys

First let me say that JW Hopkins and I appreciate everyone's patience in regards to getting the results. For some reason the ACES app wanted to have two entries for some people which prevented us from determining the overall winner and sorting out some categories. JW was able to re-enter some data & so you can see the attached results.

Congratulations to Hondo Tucker as top overall shooter & to De One Stone as top Lady shooter. TOP was the only person with a clean match.

Capital City Cowboys

Howdy everyone.

This is Sheriff Hopkins (J.W.). Just wanted to apologize for the scoring problem this past weekend. Although I'm not totally certain what happened I think I know how to prevent it in the future.

In a nut shell here is what happened: On the tablet for Posse 2 the scores from Saturday disappeared from the total over combination of scores for the weekend. Some posse members suddenly showed up twice, once on posse two and once on posse "zero." I'm with you I didn't see that fourth posse shootin'.

Well long story shortened a bit, I took off a bit early today (my head hurts - I'm going home) and came home and I believe finally figured this out. I'll do my best to make sure it doesn't happen again. And again I apologize for not having the scores at lunch for a proper awards banquet/luncheon.

Thanks for coming and hope the rest of the shoot was good for you.

Best wishes and happy trails,

J.W. Hopkins
