**Subject:** Capital City Cowboys June Shoot

It's time to put our cowboy hats on and strap on the irons. Our next shoot is June 23<sup>rd</sup> at 0930.

The gate will be open by 0800. If you want to help set up and shoot free then show up at 0815 to sign in.

Just remember, the first eight to sign in and help will shoot free. Set up should be done by 0900. Standard sign in will start at 0900 and close at 0930 for the safety meeting.

**This is also the day for our swap meet.** Set up under the overhead along the shelf, but leave the tables for the stages.

There should be something for all.

There's a request for a lawn mower to cut the grass before the stage props go up. If you have one to donate to the club or exchange for a few free monthly shoots then bring it in.

We have flyers and business cards to promote the cowboy club. Pick up some to hand out or display. We need more shooters to keep our club going. Remember, those who are under 18 with guardian shoot for free.

We are looking into tablets for scoring. As soon as we find one that will work and on the inexpensive side, we will buy a few.

JW Hopkins is testing a tablet. If you have any experience using one, then see JW.

T-Town is coming in September. The state Wild Bunch match will be at Powder Valley in September. Border Wars at The Free State Rangers in October. If you want to shoot, there's some where to go and meet new friends. There's also talk of a simple two day match in November. More on that at the short meeting.

For guest relations, we have eye and ear protection on hand. Eye protection is to be returned to the box but ear protection is one time use as they are foam and not muffs.
