

Capital City Cowboys

From the telegraph office.

www.capitalcitycowboys.org

Howdy all.

The Capital City Cowboys will have their monthly match on Sunday the 24th, in conjunction with Powder Creek on November 23rd. This I-70 venture will be scored as three matches. If you attend both days, that is one match. The other days are scored as the other two matches. See the web sites of each club for more details.

For Capital City Cowboys, we will start with sign in at about 0830 with a coffee social. To save time, please email toprdavis@cox.net by November 20th that you will be shooting with us by sending in your cowboy name, sass number and shooting category. For you all that have already done this, Thanks. This will aid in getting the tablets loaded and in getting a head count for lunch. Lunch is a chili feed with fixings and cherry cobbler with ice cream. The safety briefing will start at 0930 and the shooting right after. Once the match is done and the range cleared, then the lunch line will start. The entry fee for this month's match is \$15.00. Also, we will forgo the 40 degree rule.

Hope to see you all at Powder Creek and Capital City the weekend of the 23rd and 24th.
