NEWS LETTER OCTOBER 2012

From President TOP:

Our next match is October 28th at 0930. Sign in starts at 0900. Show up in time to get your mule loaded and have a cup.

Do you want to shoot this one for free? Then show up between 0815 and 0830 to sign in and help set up the range. If you didn't sign up, you didn't help set up.

If you didn't attend T-Town, you sure missed out on a fine match. A big thank you for all those who helped make the match run smooth.

Elections are this month. If you want to step up for a position, now's the time to get in on the action.

It's official. Butterfield will host the SASS 2013 black powder match in conjunction with their 3 day shoot. It will be the first weekend of May. See you all there for a smoke filled weekend.

See you all at the match.

From Secretary Slow Gun McDuff:

It turned out to be a beautiful day for a shoot. It was a little cool during the setup but by the time we started out in the sun it wasn't too bad. You missed a good shoot if you weren't there although TOP did get a little carried away with the number of targets (all in the name of taking inventory of the targets....).

Congratulations to Newton as top shooter today.

Election of officers was held at today's shoot. Those who weren't in attendance should contact TOP to learn what office you now hold for 2013.... Just kidding. The railroad ran through & you now have the same officers again for 2013.

President - TOP

Vice President - Shady Willie Brown

Range Officer - JW Hopkins

Treasurer - Kant Kount

Secretary - Slow Gun McDuff

The 40 degree rule will be in effect for the next few months. On Thursday or Friday of the week of the shoot TOP will determine if the weather forecast indicates the temperature on Sunday will be at 40 degrees or above by 10 AM. If it's going to be 40, we'll shoot. An email will be sent out either way to let you know for sure. We will not have our monthly shoot in December.
